

It Is Love

Stephen Pearson

♩=90

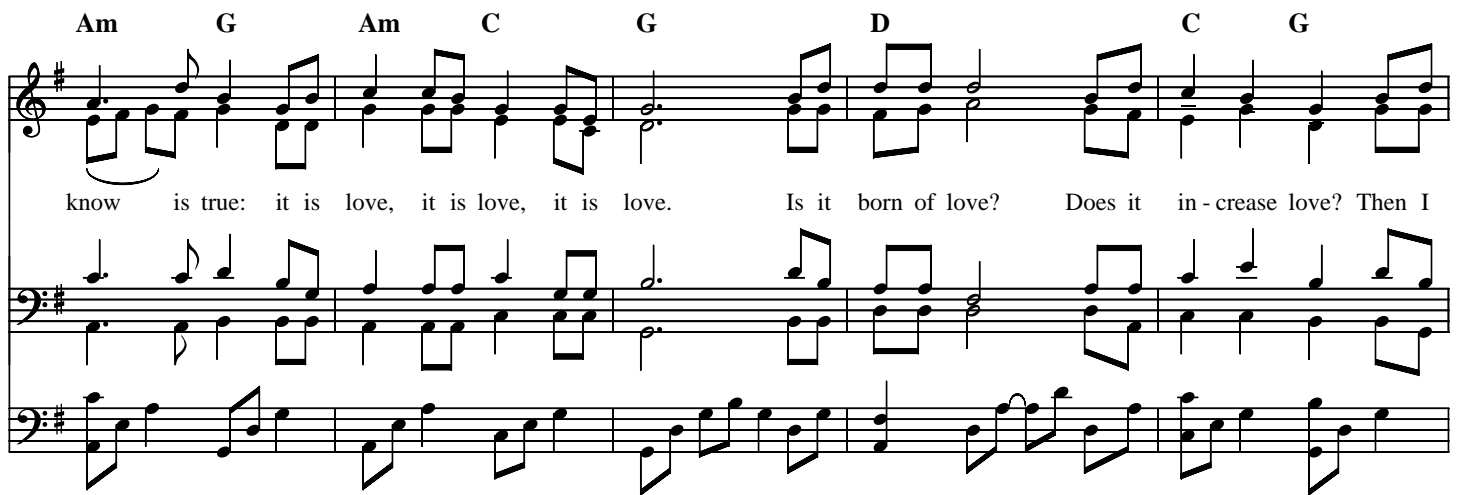

G Am G Am G C D G

There is one thing that I know is true: it is love, it is love, it is love. The on-ly thing that I

Am G Am C G D C G

know is true: it is love, it is love, it is love. Is it born of love? Does it in - crease love? Then I

C G AmC D G Am G Am C G

know that it is true. The on-ly thing that I know is true: it is love, it is love, it is love.
